—On Tuesday evening last week, the W. C. T. U. and Y. P. B. societies, held a public entertainment at the Evangelical church. A very interesting program was rendered, including reports of Lima convention.

"Get the first hundred" is the advice young men so often here. It isn't so easy to get that first hundred if you keep your money in your pocket, where temptations assail it every day. If you will deposit your surplus, however small, in the bank the "first hundred" will be yours almost before you know it.

## The Perrysburg Banking Company.

—Clarence F. Eberly, of Perrysburg, Ohio, who for several years has been a topographer in the department of geological survey of the United States, has been employed by the Argentine Republic to organize a geological survey department of that country. He sailed last Saturday from New York for Buenos Ayres, South America, on the steamer Verdi and will begin work of forming a geological survey department for the Argentine government directly.
